LeadToScope

Prepare your conversation

Keep what you know, what matters, and what you want to ask.
Fill this in privately or print it. Bring it to your chosen contractor.

Your room

Which space are you planning to change?

Your priority

What would make the biggest difference in everyday use?

Keep

What works well and would you like to preserve?

Change

What frustrates you, and what would you like to improve?

Ask

Which decision or question would you like help with?

Photos with reasons

Bring a room view, a daily-use problem, and inspiration. Note why each matters.

Keep this worksheet private and share it only with people you choose.

Prepare a Project File for free at leadtoscope.com/homeowners

Contractors use a paid credit to open a shared Project File: $10 for one or $45 for five.
Your contractor assesses design, feasibility, construction scope, and estimates.
